EDITOR'S NOTEBOOK

Dear Archie Readers,

It seems that TV shows featuring lawyers and courtroom dramas have become very popular. - However, I'm sure many of you don't have a chance to watch them. One, because they're on too late, or two, your parents won't let you. But don't despair. Archie comics is prepared to take you to "The Court of Last Resort." In the latest issue of **BETTY & VERONICA (#137)**, Archie's love-life is on trial when Teen Romance Court is in session. You'll witness the trial of the month (it will never make the "century" list), as Betty and Veronica accuse and stand accused of unscrupulous tactics in the battle for Archie's affections. What could possibly be the outcome of this trial? You be the judge.

If you've ever been to a comic book convention, you had to notice all the costumed characters. Did you ever wonder what it would be like to wear one of those costumes? Well Archie finds out the hard way when he's hired as "Hamsterman," by the creator of the Hamsterman comic. In the story entitled "Super Dupe-er," Archie learns that the requirements for being a superhero go beyond muscles and a cape. You'll be falling on the floor laughing when you read this story. Look for it in **ARCHIE #485**, on sale next month.

Another issue you won't want to miss is **BETTY & VERONICA SPECTACULAR #36**. In this issue, Betty and Veronica want to see what it would be like if they exchanged personalities. So when Betty starts acting like Veronica and Veronica starts acting like Betty, what's Archie going to act like? Hey, maybe he'll finally make that big decision we've all been waiting for. Will he finally choose between Betty and Veronica? The answer to this question may be found in a story called "She's the One," or is she?

Lori Campbell
Pickering, ONT Canada
Abraham Lincoln

Abraham Lincoln proposed for the abolition of slavery, since it was incompatible with American democracy. In 1860, he was nominated for President and sworn in on March 4, 1861 as the 16th President of the United States. When Lincoln was elected, many

"A house divided
against itself
cannot stand"

"As I would not
be a slave,
I would
not be a
master"

"Government

southern states seceded from the Union and formed the Confederacy. In April 1861, the Civil War began. The war between the states lasted 4 years. Lincoln was determined to bring the country back together as one. In 1862 he issued the "Emancipation Proclamation" declaring all slaves free. The Civil War was coming to an end when Lincoln was reelected in 1864. On April 14, 1865, John Wilkes Booth shot Lincoln in the head. A train carried "Father Abraham's" body west from Washington to Springfield, Illinois as mourners lined the tracks.

Ticks

Ticks are insects, that feed on blood by first puncturing the skin of an animal or human with a tubular stylet and then sucking the fluid. The hatched larvae sit on blades of grass and wait for an animal to brush against them. Then they go into the coat or hide of the animal. Their adult size is about 15 mm, or 5/8 inch. A tick bite can carry viruses, such as encephalitis, or viral meningitis which kills hundreds of people all over the world each year, and lyme disease which has become very common.
